min	
type	B2BCatalogColorAbsorptionValues
unity	percentage
occurs	1
description	Lowest absorbtion of the color
max	
type	B2BCatalogColorAbsorptionValues
unity	percentage
occurs	1
description	Highest absorbtion of the color
step	
type	B2BCatalogColorAbsorptionValues
unity	percentage
occurs	1
description	Steps of color absorbtion for variable colors
value	
type	B2BCatalogColorAbsorptionValues
unity	percentage
occurs	1
description	Absorbtion value for uni colors
