B2BCatalogRefractionSteps

b2bOpticLensCatalog→lensRanges→lensRange→refractions

sphere	
type	B2BCatalogRefractionStep
unity	
occurs	0..1
description	available steps for the sphere range

cylinder	
type	B2BCatalogRefractionStep
unity	
occurs	0..1
description	available steps for the cylinder range

addition	
type	B2BCatalogRefractionStep
unity	
occurs	1
description	available steps for the addition range

degression	
type	B2BCatalogRefractionStep
unity	
occurs	1
description	available steps for the degression range
